PRODUCTION OF  
GMO-FREE FOOD

pastus® AMA-Gütesiegel tauglich

## Catec Formula K

*The effective problem solver  
in calf diarrhea*

- The strong antimicrobial effect effectively reduces the burden of coccidia and Cryptosporidium, guarantees optimal gut health, the basis for best performance
- Improves nutrient utilization by increasing daily weight gains
- Best growth from the first day through its special effect against E.coli
- Optimal equipment (vitamins and organic trace elements) provides as full milk enhancer a additional performance.

Ensure your economic success with Catec **Formula K**
