**CATEC**  
**AGRO CARE**

## *Catec MultiEnzym*

Premix for  
fattening broiler

**Additives:**

Xylanase 1.100.000 U

Glucanase 1.500.000 U

Phytase 1.000.000 FTU

**Species::**

broilers

**Feeding recommendation:**

1kg/ton used in complete feed

**Packaging:**

25kg bags

**Minimum shelf life:**

12 months

## *Catec MultiEnzym*

Premix with optimal enzyme content. High doses of phytase ensure reliable breakdown of phytin phosphorus - ideal for grain-based rations. Xylanase, glucanase and 17 other enzyme activities such as cellulases, pectinases and proteases serve to increase the nutritional value of the ration. The addition of enzymes ensures drier feces, lower ammonia excretion and improved hygiene conditions.
