CATEC
AGROCARE

Catec Yeast Plus

Supplementary feed
for dairy cows and beef cattle

Ingredients:

Crude protein	60,0 %
Urea	80000 mg
Crude ash	6,0 %
Crude fiber	2,5 %
Crude fat	3,0 %

Raw materials:

Brewer's yeast
Wheat feed flour
Pumpkin seed cake
Urea

Recommended dosage:

300-500 g/animal/day
feed only to cattle with functioning rumen

Catec Yeast Plus

- Brewers yeast provides high-quality amino acids and natural important B vitamins
- Mannan oligosaccharides and beta-glucans ensure prebiotic effect and immune stimulation
- urea quickly releases nitrogen, which is converted into crude protein in the rumen.
- Pumpkin seed expeller is very tasty, provides a lot of protein and excellent protein quality
